*I like wearing light summer dresses that feel soft and silky against my body, especially since I've shaved my pubes down into a long strip. When I have clothes on and I tell my man that I'm going to slip into something more comfortable, what I really mean is that I'm taking it all off. Then it's right to slapping the flesh and poking the holes... and that's the way we both like it! Uh huh! Uh huh!*

# Reunited - plus one

*It's been a long airplane flight from New York to Seattle but It went quickly enough as I thought about him. You see, I'm on my way to a ten-year college reunion. The ten-year was my sorority's idea because we all got along so well and didn't want to lose touch – ever. However, why I'm really going is to once again meet up with a gorgeous hunk who had given me the most orgasmic weekend of my young collegiate life.*

That was more than thirty hours of non-stop sex except for some food here and there and few minutes to doze off and regain our strength. That was fucking my brains out with an athletic god of a football star with a bulge you could practically measure in yardage.

The day of the reunion, I got dressed in an almost-sheer white blouse with a beautiful lacy bra underneath that was just teasing enough but classy in a slutty sort of way. Then, at the carefully planned moment, I'd unbutton my top a couple buttons and 'BAM.' Out would explode my massive, D-cups of this five-foot-ten amazon of a varsity women's volleyball player. My boobs go on for days, maybe weeks! And because I'm so tall, it all looks both naturally proportioned and supernaturally overwhelming. Most men's jaws drop on those rare occasions when I flip off my jacket and let my superhuman shelf free; some have broken into a sweat, and I swear, I've seen two different men spring an instant erection and helplessly ejaculate just from the sight. I'm getting hot just writing these words: The sight of my body has actually made men cum in their pants!

I'm positive that at the reunion, even this muscular, God-stud of cock wouldn't be able to resist me. I knew he had RSVP'd, but didn't know if he was coming alone. Not that I cared. I've taken men away from other women enough times in my life. And the stakes were high here – I've never, ever, ever been satisfied again the way Felipe had satisfied me

that weekend, all weekend long. It's a memory still vivid in my imagination.

I arrived at the hotel and signed in, making chit-chat with some of my old acquaintances I'd caught up with on social media. I didn't touch any of the hors d'oeuvres being carried around by the waitstaff. I was too nervous to eat, and didn't want to risk any food spoiling the perfectly constructed line of my lipstick and the subtle but radiant highlights of my makeup. With a vodka rocks in hand, I glided around the grand hall, catching up with old girlfriends and studiously avoiding making eye contact with any of the men, whom I could hear quietly gasping as I walked by. I kept my glances concentrated at the door where Felipe would enter and have to stand for a minute or two as people signed in and fumbled with their registration and name tags.

I tried as hard as I could to push away thoughts of him – of his unbelievably strong body, his unbelievably enormous erection. Twice the length and twice the thickness of any oth-

er men I've known, and my God, do the math: that is literally enough of an erection for two-well-hung men at once!! His cock was the size of a French-fuckin' baguette! I had to stop. My nipples were threatening to pop out of my bra, my pussy was already wet, and I had to keep clutching my ass cheeks tight just to be able to walk straight. Oh, God, I thought – if he doesn't show up soon, I'm just going to say fuck it, find an out-of-the-way ladies' room, and masturbate my clit off! But patience pays off. Finally, there he was and my heart jumped into my mouth. He looked even better than he had ten years ago! Felipe still had the fine physique of a triathlete, and his face looked fuller and more square-jawed, with just the hints of those rugged lines that experience brings, hopefully long, hard experience, if you know what I mean.

Then, I saw her. She was stunning. A blonde-haired, Kate Upton-ish vixen, all boobs and ass with a lot of class. She was perfect! Except for once or twice a dozen years ago, I'd never done more than tongue-kiss another woman – but her – wow! I could feel my tongue tingling, picturing in my mind's eye having my face down between her taut legs, lapping away at her gorgeous pink slit, pushing and penetrating my tongue so deep up her pussy it'd make her moan and cum on me. Leave it to Felipe to be with a goddess.

Before I could think up a strategy, Felipe looked up and saw me. My blood froze. Without taking his eyes off me, he leaned in to the beautiful woman beside him, and they both smiled. I couldn't move. I saw them start to walk toward me, and it was like I was deaf and dumb to every sound and sensation except their footsteps. By the time the two of them had traversed the thirty feet to where I stood, I was only just starting to get feeling back in my statue-like limbs. It took every bit of my concentration to look calm, poised and collected, although every atom in my body was trembling and wanting to scream.

"Nice to finally meet you," the beautiful, light-haired woman said, with a smile that made me melt inside, though I stood firm. "Felipe has told me who you are." She still was smiling. For the first time in my life, with another woman between me and a man, I was nervous. Was that a piranha smile? Was she about to bite my head off? Felipe, standing next to her, was smiling as well, and there was something in his face I remembered, and recognized.

"My name is Camille," the woman said to me, beckoning me to lean in to her five-foot-nine in heels height, in such a way that anyone watching would have assumed we're old friends and she's telling me some gossip, some secret between us girls. "I know I'm married to a man who makes women's pussies wet just looking at him." she began. "A man with more than enough cock to fuck ten hot, steaming women to gushing orgasms in a single night. I have been there and been part of that, many times." And then she came to the point. "I want you. Felipe has told me of your sex marathon; how you squirted a fountain of cum a yard high. Now I want that with the three of us." Oh, yeah! My mind screamed. And despite everything, despite my discipline and perfect confidence in my hurricane-force sexuality and cock-

exploding body, I felt my lower lip tremble and a single, damnable bead of sweat form on my forehead.

"You have no choice." Camille said, her smile widening, her eyes zeroing in for the kill. "I'll do anything." I whispered hoarsely. Then we departed for the suite they'd rented; a luxurious set of rooms with a marble tub, a full bar, a fireplace, wall-to-floor windows and a terrace overlooking a wooded lake. After an hour of slow seduction it would take another story to describe, and which gave me my first two orgasms of the night, the tsunami sex began. Felipe stood before us as Camille and I finished making love on the giant bed. He was hard as stone now, his ungodly erection, powerful and trembling, looking like with one good grunt it would explode upward all the way to his chin! What a hunk of pussy-destroying power! Camille played with herself on the bed as I got on my knees and struggled to get the giant knob in my mouth. Camille was moaning, her fingers playing rapidly inside her pussy, preparing to watch one of the great-

est fuckings on earth.

My tongue found the little slit in the head and softly parted it, sticking it in and out a few times. I slid my lips and tongue down the long thick shaft until I reached the base. I nibbled the area where the base met his balls. Then I took those tennis size balls into my hands and started squeezing them, coaxing his seed to the front. I pushed his penis against his tummy and slid my tongue the foot and a half from his balls to the tip and back again.

Felipe came all over my face, and I gobbled and swallowed and smeared his gallons of cum on my cheeks and

fingers were sopping with her sweet love juices, and I slipped one up her butt crack and into her tightly puckered anus. She moved her hips into it, pushing my finger deeper. I obliged by adding another digit as her fingers found my butthole under Felipe's pounding of my pussy. The sensations were out of this world. Fingers, cocks and tongues, oh my!

That did it. I squirted, I sprayed, I gushed pussy juice splashing all over his cock and brick-hard six-pack abs. Camille dove right in, thrashing her face in my pussy like a vampire on some virgin's neck. My orgasms finally slowed after a minute to just under the boiling point, then I put my fingers

down to feel his un-fucking-believably huge cock, and I started cumming all over again! Squirting again for the first time in all these years, getting torn and destroyed by multiple orgasms that kept hitting me like a perfect storm, I was almost praying for my incredible climaxes to stop, or at least slow down, so that I could give Felipe the coup de grace and let him rip apart my asshole with one of the biggest cocks in the world!

When it was finally time, I rolled over. Camille licked my ass and fingered

my rectum, getting it good and wet. She pulled my butt cheeks open, giving his cock a pink target to violate. She grabbed his massive meat loaf and guided it into my back door. It took a while, probably twenty minutes of non-stop, gradual burrowing before my sphincter had loosened enough to accommodate him. He'd never come close to getting the entire thing in.. If he were able to get just half of that more than foot-long, ten-inch-around cock in my ass, it would be a miracle. And oh, my God, what there was, was miraculous!

Finally slamming me, driving me to the moon and back on the sheer length of his cock, Felipe blasted my tight asshole into oblivion! He pounded me, while I screamed in pure ecstasy! "Fuck my ass. Fuck my fucking ass." I screamed. He fucked my ass until I passed out! I woke up in pain and pleasure, being serviced by a pair of sexy tongues slathering their juices all over my body. That weekend ended with hot combinations of flesh rampaging around the suite. We became better friends and I have since moved to their city so we can party together all the time. The sex was and is amazing, and I hope you'll be able to experience the same joy some day.

lips and mouth, licking my fingers like it was honey. Knowing from experience that he could go hours without getting any more than just partially soft, I lay back and played with my pussy as Camille moved in and licked his cum from my face. Felipe watched, growing so stiff so fast you'd swear you could actually hear him hardening! He placed the head of his cock against my drowning pussy, and with Camille holding my pussy lips open, he started to penetrate me, inch by thick fucking inch.

The pressure and anticipation were about to kill me!! With his wife cooing and playing with my clit, Felipe finally pushed in more than the head, which was nearly three inches by itself! Slowly, carefully, he began sliding in and out of me. His cock was so thick it was massaging my clit with every stroke, and as steam practically began pouring off of us, he slid faster, and harder, and faster, and harder until finally two-thirds of that gargantuan monster was tearing me apart, punching at the back of my womb! Camille was licking and sucking my clit as my fingers played with hers. I felt her suck and pull my clit with her lips as Felipe banged me hard. My own

# EMILIO WAS JUST THE RIGHT MEDICINE

One day I asked my girlfriend Jayden while we were in bed and a little tipsy, what would she do if you could do anything at all. She thought a while and turned red. "Well, I am not sure how you're going to react to this but..." she stopped. "No never mind." she said. "What is it?" I asked her. "I just can't tell you." she said again. I got another wine cooler for both of us and we sipped them down as she was still thinking about how and what she was going to tell me.

I tried another tact to get her to talk. "I asked you, so I cannot hold anything you say against you, you know. I have done a lot of things so I can't be a hypocrite." I kissed her on her full lips and down to her pert nipples making her squirm. "Okay then, but remember, you made me tell you." she said. "Okay, go ahead." I said. "I'm ready." She takes a long sip of her cooler and I settle back against the headboard. "Take your time, babe." I say to her. Hesitantly she begins. "When I was at college, there was a guy that I thought was great looking and I think that he liked me, too. We kissed a few times and I felt his cock and he sucked my titties. We were in a lab room, but when we heard footsteps coming down the hallway, we broke it off. We didn't want to be caught

and get suspended." Now she got quiet. "Do you want me to finish?" I asked her. "Well, yes, just once, I would like to have a threesome with another guy." I told her that I had been in a couple in college, and they were fun, so I could understand her desire. We made love again and I got up to go. The day had been really nice in bed together and I began planning how she could have her fantasy fulfilled. It took a couple months and when we met I had her bring her toy with her, a nice 9 inch dildo, and when we were at the park or elsewhere, I told her to close her eyes and pretend it was another lover that was in her with me there and enjoying every bit of it. She always had some explosive orgasms but was shy afterwards.

One Saturday I arranged for a friend to meet us at a nice hotel in the center of town. Emilio was my height, about five-foot-ten, but unlike me, he kept playing some sort of semi-pro soccer after we finished college, so he was buff and built. I asked him if he would like to join us he was more than happy to say yes.

Jayden and I got to the hotel early for some fun on our own and it was worth it. As I said, she's pretty shy, but when you get her alone she turns into this wild sexual animal any man would love to fuck. But lucky me, she's mine – for now. I undressed her; we played a little rough as she liked and after a good spanking I ate her thru a couple orgasms. Around noon there was a knock on the door and she looked at me, "Who can that be?" she said. Why don't you answer it?" I told her. "Are you serious?" she said. "Leave your clothes on the couch and go to the door – just like that." She stood there looking at me, stunned.

"I'm not answering a hotel door naked, are you crazy." she said. I guess she had a point. "Then I'll get it." I said, headed for the door and opened it. There was Emilio, well built and good looking, smiling and fist bumping.

BLAIR-NTS-10

"Am I late?" he asked coyly. "You're timing's perfect." I told him to come on in.

Jayden had no time to reach for anything to cover herself except a wash cloth which she held over her beautiful full chest, but that did no good. We laughed and said that it was not covering anything. She dropped it and sat on the bed. "What is this?" It's your fantasy, my dear." I told her. "She does look good." Emilio said as he sat on the edge of the bed, introduced himself and began rubbing her shoulders. "I think we can really give her a nice time today, don't you? That is what we are here for. Emilio leaned her back against his chest and kissed her neck, one of the weak spots I told him about. Shhhh, enjoy Jayden, enjoy, it is going to better than you ever imagined. His hands came around to her breasts and took the nipples gently and began manipulating them, pulling and massaging. He kept kissing her neck as I moved to the other side of her and took her nipples in my mouth sucking then licking them. She began to moan and her eyes closed, "Oh, I can't believe this is happening." she moaned to me. "Oh my god, this feels so good."

Emilio was now laying her down on the bed with me on the other side of her, kissing her all over we both were kissing and sucking her spots that got the best results making her orgasm without even touching her pussy. She was reaching for his bulging jeans when Emilio stood up and stripped in front of Jayden, her eyes growing wider as he exposed one of the largest cocks she had ever seen. Jayden looked at his cock. It was about 8 or 9 inches and very thick. She reached out and took Emilio's cock in her hands, massaging it slowly as I sat next to her and began sucking her boobs again. I noticed that she kept her eyes on the object of her desire in her hands as Emilio watched her and smiled moving his hips in time with her hands.

Pre-cum began leaking from Emilio's dick and she guided it slowly to her lips and licked the pre-cum, making her moan at the taste of his cock. She then began taking it slowly into her mouth, inch by inch, until it was almost

all the way down her throat. I moved to her pussy and was eating her out as her other hand found my thick tool. Emilio pushed into her mouth deeper and said, "I hear you like to suck and swallow." "Yes, I love it." she said. She moaned as he pushed his cock deeper into her mouth. I was still eating her pussy when he sped up and when he shot his load she struggled to swallow all of it. Her pussy squirted my face as she had her orgasm and I did all I could to lick it all up. Emilio sat next to her after she let his cock go and he began kissing her again, I got up and told Emilio that Jayden's pussy was ready for it. He then moved her up on the bed and Emilio got between her legs, taking them and spreading them so that they were over his shoulders. He put the head of his thick rod to her pussy lips and began pushing in. Jayden almost fainted as it spread her wide. He pushed all the way in and Jayden cried out. He buried it in her pussy till his low hanging balls slapped against her brown ass.

I moved so Emilio could have full control of her pelvis and he began pounding her pussy deep and hard. Her boobs were bouncing as she was devouring his cock into her pussy. Jayden had a couple orgasms in quick order and was going for another when Emilio tensed up and filled her with cum and it seemed like he unloaded for ten minutes.

Jayden later told me she had three orgasms in a row, one after the other as he filled her. He finished and moved over. He laid her legs down and I got into her pussy, sliding my cock slowly in to the point that she was moaning again. I did and she became frantic. Harder harder, I fucked her harder, ramming all the way into her with every stroke. I was ready to cum but she cried out for me not to stop, but all I could do was put it off for a few more strokes, but I couldn't hold off any longer and I burst inside her pussy making her moan louder than I have ever heard her. But she didn't cum, so she reached over and grabbed Emilio and began sucking him trying to get him hard again. He obliged and within a couple minutes managed to slide into her and her pussy massaging got him fully hard. Then she told him to fuck it hard, really hard, ram it in. She reached out and grabbed my cock, taking it into her mouth, sucking deep and I was back to full attention in minutes.

She repositioned both of us so she could sit on my cock, taking it into her ass then took Emilio again into her pussy. Then she began having orgasms over and over again soaking the three of us with the juices squirting from her pussy. I filled her ass as he again filled her pussy. We all collapsed on the bed, Jayden still trembling and shaking with aftershocks of her orgasms. She moaned, "Please stay in me, don't get out yet." Emilio pushed his half hard cock back in and she lay there enjoying the feeling. She was moving her pussy and ass slowly around our cocks deep in her making them slowly come back to life. Amazed, Emilio asked, "How much of us can you take?" Jayden looked at me and said, "As much as I can get. This has been a fantasy of mine for a long time and I want to be sure I enjoy it for as long as I can." With that, Emilio began moving in and out of her. I began pinching her nipples and slowly coming back to life. She was moving slowly, taking advantage of the cocks in her and then after a long time Emilio was saying he was going to cum again. She said he had to wait this time.

She took both of our cocks out and we stood up in front of her. She then took them in her hands in front of her near her mouth and began sucking

one while massaging the other. She looked up at us and said "Now when you're ready, fuck my mouth and cum in my mouth. I want to compare and see how each of you guys taste." We got on our knees in front of her on the bed and she would suck Emilio and then swallow his load. Then it was my turn and she stroked and sucked me until I came one more time. She laid on the bed content after that. Emilio and I found spots on the bed and laid back trying to catch our breaths.

Jayden rolled over and said "Thank you for the surprise, baby. He was just perfect." I said that I enjoyed it as much as she did, and then admitted I was a bit apprehensive. "So you liked seeing me get fucked by another guy right in front of you?" she asked. "Yea, it was pretty cool. And to watch you do him as I did you, that was even hotter." Then much to my surprise she said that she wanted to do it again in a week or so, after her pussy and ass recovered. I turned to Emilio. He gave me a thumbs up and said "I'm in!" I told her that in two weeks she would have to find us a girl to share just as we did today. She smiled and said she already had someone in mind. "Do you remember Simone from my dance class?" she asked. I said I did and my cock started getting hard again. "She'd be perfect," we said in unison.
